No.12-A, Oruthota, Gampaha

Professional Summary

Aspiring Software Developer with a focus on backend development, RESTful APIs, and database management. Proficient in ASP.NET Core, SQL, Java, and Angular. Experienced in building scalable systems and collaborating on real-world projects. Proven leadership and teamwork skills through active involvement in Rotaract. Currently seeking a software development internship to apply and grow my skills.

Languages

Sinhala

English

Education

University of Moratuwa

BSc. (Hons) in Information Technology - Current GPA : 3.79

CIPM

Advanced Certificate in Human Resource Management

Rathnavali Balika Vidyalaya, Gampaha

GCE A/L Examination - Z score : 1.805

Rathnavali Balika Vidyalaya, Gampaha

GCE O/L Examination - 9A s

Projects

Software Project

FRESHLY-LAUNDRY MANAGEMENT SYSTEM

Developed Order Management module of the full-stack laundry service platform. Led backend development of the application using ASP.NET Core and MySQL. Designed and implemented the complete database schema, RESTful APIs, and integrated with Angular frontend. Managed deployment on Azure and ensured seamless order processing and tracking.

Hardware Project

ALERTWAY GUARDIAN

Developed a microcontroller-based portable safety device with gyroscopic sensing for motion detection. Configured gyro ranges and filters for accuracy, controlled buzzer activation by mode, and integrated LEDC for precise tone and frequency control.

Web Application

LAPTOP STORE

Created an e-commerce electronics site with login and sign-up features using HTML, CSS, JavaScript, and PHP. Designed an interactive UI with CSS animations and implemented secure user authentication for login validation.

Web Applications

MINI-WEB PROJECTS

Created some small web development projects demonstrating fundamental development concepts : CRUD app, Calculator, Number guessing game

Technical Skills

Programming Languages: Java, C, Python, SQL, JavaScript

Frameworks: ASP.NET Core, Angular, React

Tools and Platforms: Git, Postman, MySQL, Swagger UI, Azure (Database)

Volunteering
